RATS
Student Order Form

Estima

Special Student Prices !!!

For a limited time, Estima is offering its econometric software package, **RATS**, to full-time students for incredible discounts. Students can purchase **RATS**, the best-selling econometrics package for PC and Macintosh systems, for $200.00 off the normal price of $500. You will not be getting a cut-down version, but a full, working copy which entitles you to all of the privileges that come with being a licensee. Because of the deep discount, we are making this offer only to full-time students who are obtaining the copy for their own personal use. We reserve the right to determine eligibility for this discount. Please see our web site or contact estima for further details on the various versions of **RATS**.
